

Greetings!

Happy 2011 Trail-Blazer! By now you've gotten firmly rooted in your post-New Year routine. Hopefully, 2011 is off to a fantastic start for you and your loved ones! If you're anything like us, you have discovered that there are a lot of old and new responsibilities to attend to! Luckily, we can cut down on some of the clutter in life by using the Blaze Mobile Wallet to simplify our lives. Below are a few ways Blaze can save you money and time.

- Best wishes from the Blaze Mobile Team.

Save \$\$\$. Are you looking for ways to save money (of course you are...who isn't!)? Blaze's mobile coupons will save you money on everyday purchases like food and household items.

Save time & connect with friends. Buy movie tickets up to 7 days in advance, and invite your Facebook friends to join you using your Blaze Mobile app. Find a killer item while shopping?
